Executive Business Partner · Chief of Staff–Caliber Operator

Cavite, Philippines (remote, worldwide) · pmalicay@gmail.com · pearlmalicay.com

SUMMARY

One person, the whole back office. Six years as the right hand of CEOs and founders — commanding calendars and inboxes, running payroll and the books, and building AI-powered systems that turn executive decisions into done. QuickBooks & Xero ProAdvisor certified with a 100% on-time payroll record. Fully async, written-first, and exact: briefings land before your morning starts, and nothing slips.

CORE COMPETENCIES

Executive Operations: calendar & inbox command, decision briefing, meeting/travel/board support, gatekeeping

Finance: payroll, bookkeeping, bank reconciliation, AP/AR & billing, forecasting, cash flow & KPI reporting

Systems & Leverage: AI copilots (ChatGPT, Claude, Gemini), Zapier automation, SOP libraries, process design

Business Operations: vendor & project management, full-cycle recruiting, research, documentation, HIPAA compliance

PROFESSIONAL EXPERIENCE

Executive Business Partner & Operations/Finance Lead

Apr 2025 – Jun 2026

Digital Marketing Agency — Remote, USA (Contract, Fractional)

- Embedded directly with the CEO as the right hand, running the agency's **entire operational and financial backbone**.
- Owned end-to-end payroll and reconciliation with **100% on-time accuracy** across every pay cycle.
- Commanded the CEO's calendar, inbox, and communications — filtering priorities and briefing leadership daily.
- Built billing and invoicing systems, tracked AR, and **cut billing lag** with streamlined follow-up workflows.
- Renegotiated a vendor contract before auto-renewal, saving **\$900/month**; executive involvement: one signature.
- Delivered monthly financial reports, forecasts, and cash flow snapshots; resolved team blockers **without executive involvement**.

Executive Assistant & Finance Specialist

Apr 2021 – Apr 2025

Home Care Agency — Remote, USA

- **Four years** as the operational and financial core of a fast-growing agency — from caregiver payroll to client billing.
- Processed weekly payroll with full compliance; audited historical cycles, caught systematic overpayments, and **saved the agency thousands**.
- Managed the complete billing cycle across clients and insurance providers.
- Ran full-cycle recruitment — sourced and placed **10+ caregivers** within tenure.
- Built HIPAA-compliant systems that **reduced administrative errors by 30%+**.

QuickBooks Accounting Intern

Apr 2020 – Mar 2021

Financial Consultancy — Remote, PH

- Bank reconciliations, transaction categorization, AP, and purchase orders in QuickBooks Online.
- Produced AR aging summaries, management reports, and cash flow projections for daily operations.
